MEMORANDUM FOR THE RECORD

Morning Meeting of 2 October 1967

DD/I said that reports from the participants in the Agency's summer intern program on China show it to have been a distinct success and that we should start planning now for next summer.

Godfrey said that the results of the Assembly vote on certification of the elections should be in around noon.

In reply to a question Godfrey said that a rough draft of the Director's cabinet briefing should be ready by mid-afternoon.

Kent reported on David Schoenbrun's debriefing at Headquarters on Friday. Kent felt that anything Schoenbrun had to say will be appearing in his current series of press articles.

Kent noted that the USIB agenda for this week contains an uncontroversial Estimate on Nicaragua.

DD/S said that he will have a report to the Director this morning which will negate Senator Ervin's allegations concerning the Agency's development of a process whereby an individual can be polygraphed without his knowledge. (See Action 1)

Houston said that Justice expects as many as 50,000 to 60,000 demonstrators for the 20-22 October demonstration against the war. DD/S said that he is setting up a team to provide whatever assistance Justice might request.

Bross said that General Robert Taylor is convening a small intracommunity group to examine early warning problems in light of the Shute report.

In reply to a question Bross said that the next PFIAB meeting is scheduled for 12-13 October. The Director asked Bross for a list of community and Agency organizational actions in the last sixty days for PFIAB.
